

WEST BENGAL ORTHOPAEDIC ASSOCIATION NEWS LETTER

APRIL - JUNE 2025

President : Dr. Gaur Gautam Kar
Hony. Secretary : Dr. Sabyasachi Santra

WBOA

IOA President's Theme:

OLD is GOLD- 360°Care for Elderly
Ensuring Mobility, Dignity, Longevity

WBOA President's Theme:

Science of Orthopaedics Meets Art of its Application

Address:

102/3A, Dr. Suresh Chandra Banerjee Rd. (Beliaghata Main Rd., 1st Floor,
Kolkata - 700 010, West Bengal, Cont.No. 033-2372-0540, Fax: 033-2372-0541
E-Mail: wboamail@gmail.com

Website: www.wboa.in

PRESIDENT'S DESK

Dadathakur, the wittiest Bengalee ever, used to say that news is called news because it provides you 'khobor(news)' from the North, East, West & South. In other words, from everywhere.

This newsletter, the first one of the current EC attempts to do just that. Orthopaedics, especially the quality orthopaedic care, is being provided by our members from all the regions of our state. That has become an excellent trend in the last few years. The upliftment is the pleasant result of a combination of very enthusiastic young brigade keen on learning and highly active EC, especially the Scientific Committee that provided the

learning platform in the decade of 20-20.

WBOA has progressed significantly in the last decade so that our members are consistently present in the faculty lists of prestigious & highly popular orthopaedic events like Ganga Hospital courses and Pune courses. Next logical step is to increase the researchwork and publications by our members. And I am not talking about obligatory publications (like those needed for promotions). Every patient we see (however routine and ordinary the case might be) generates data. That data can be utilised for meaningful and publishable work someday, somewhere.

A few years back I requested our EC to form a research wing of WBOA and the EC agreed. I am happy to say that the wing has become a reality. My next request was to form WBOA's own Ethics committee so that the researchers not working in any teaching institute can submit their work for review and approval. That is also taking shape and primary registration in Deptt of Health Research has already been processed. Now is time to orientate ourselves towards generating research questions, collecting data and devote some time towards preparation and publication with the assurance that the research wing is always there to provide active assistance.

Its my sincere request to our members to interact among themselves and to the EC, to attend (and take advantage of) the plethora of academic programs offered by WBOA and various affiliated bodies like KASS, SSWB, AOTS and the orthopaedic clubs/societies to enrich all. After all, learning is a multidirectional, multidimensional process.

WBOA has started its Trauma Fellowship. Bhattacharya Orthopaedics & Related Rehabilitation Centre, one of the first exclusive centre for orthopaedic care in eastern India, has come forward to make the WBOA-BORRC Trauma fellowship a reality.

Aligned with the IOA Presidential theme, upcoming Bone and Joint week is to be dedicated to the elderly ortho care. A scoring system is being finalised to assess the performance of different state chapters of IOA. Its our collective duty to formulate, execute and inform various activities aligned with this noble theme.

Its a gloomy, rainy week we are passing through now. But I can envisage a bright, sunny future. A bright, sunny future for our beloved WBOA I am referring to. Only you can shape it that way.

Long live IOA.

Long live WBOA

Dr. G.G. Kar

President,WBOA

SECRETARY'S DESK

Dear esteemed members of West Bengal Orthopaedic Association, I am honored to serve as the Honorary Secretary of West Bengal Orthopaedic Association, the state chapter of Indian Orthopaedic Association. As we embark this journey together, I am committed to upholding the values of our association and working tirelessly to advance the field of Orthopaedics in our state.

I believe that collaboration and communication are key to our success and I encourage each and everyone of you to actively participate in the activities initiatives of our association. Your expertise, insights and dedication are invaluable assets that will help us achieve our collective goals.

I truly appreciate the dedication and hard work of district ortho clubs and orthopaedic societies under the aegis of WBOA in promoting education, research, and social activities in the field of orthopaedics. Their efforts in organizing events, workshops, conferences , social and national program s are instrumental in advancing the knowledge, skills ,dignity of orthopaedic professionals.

I look forward to working closely with all of you to organize educational events, promote research and innovation & enhance the quality of orthopaedic care in West Bengal & contribute to the growth and development of our specialty.

Thank you for your support and I am excited about the possibilities that lie ahead for us as members of West Bengal Orthopaedic Association.

Dr. Sabyasachi Santra

Hony. Secretary, WBOA

Report - Illizarov Cadaveric Workshop, Kalyani

ASAMI WB successfully conducted Illizarov Workshop with cadaver at JNM MCH, Kalyani under West Bengal Orthopedics Association.

With 20 delegates as planned, it was attended by all registered delegates - with 4 cadavers and 4 tables. President ASSAMI Dr J Sharma, Secretary ASAMI Dr A Soni , Treasurer Dr Ravi Chauhan were generous to take part as National Faculty.

Dr Subrata Basu Dr AK Bera, Dr Anidya Roy DrJoydip Mondal Dr Anuraag Das Dr Aniruddha SinhaSarkar Dr Saurabh were enthusiastic State Faculties dedicating their time and energy leaving no stone unturned to make it a memorable useful skill development program. It was highly appreciated by all - delegates and Faculties, contributing sharing knowledge and skill. While cadaveric workshop was held on 14 th April, 2025 , whole day from 8am to 3 pm was dedicated for hands on workshop mainly on Cadavers, though saw bone workstations were there to clear doubts. Lectures on basics were delivered by Zoom meeting 2 days earlier to utilize maximum time in hands on on cadavers- giving enough time. Faculties were engaged by rotation so that each and every delegate can practice till their hearts desire. Demonstrations of different steps by videos, followed by practices on cadavers under guidance of Faculties made Delegates engaged in hands on 90 percent of time.

WBOA provided all logistics including office staffs, Dr Rajib Raman our IOA Secretary General and WBOA President Dr GG Kar WBOA Secretary Dr S Santra providing all supports though they like many others could not make themselves available for unavoidable preoccupations. We are grateful to Dr Tanmoy Mohanty who readily provided clamps and Pitkars Ltd who arranged logistics.

Last but most important Dr Arnab Biswas took the full responsibility for local hospitality along with Dr Debapi Roy including generous support of Department of Anatomy and JNM MCH Principal and Authorities.

ASAMI INDIA is doing great teaching program in each and every corners of country developing this most useful specialty very fast.

Long live WBOA

Long Live ASAMI

Let's make ASAMI WB chapter great.

SUCCESS THROUGH INNOVATION

Report - WBOA's PGT Teaching Course, R.G. Kar Medical College

WBOA's PGT Teaching Course at R.G. Kar Medical College A Resounding Success

Kolkata, West Bengal – May 17, 2025 – R.G. Kar Medical College proudly hosted a highly successful Post Graduate Trainee (PGT) teaching course today, May 17, 2025, under the esteemed banner of the West Bengal Orthopaedic Association (WBOA). The event was a significant milestone in postgraduate medical education, drawing an enthusiastic cohort of 110 PGTs from various medical colleges across West Bengal.

The course was graced by the presence of Prof. Mukul Bhattacharya, the honorable Vice-Chancellor of The West Bengal University of Health Sciences, who attended as the Guest of Honour. His presence underscored the importance of such academic endeavours in shaping the future of healthcare in the state.

Under the able leadership of Course Chairmen Prof. Sanjay Kumar and Dr. Sunit Hazra, and the meticulous planning of Organising Secretaries Dr. Sunny Kumar Mallick and Dr. Sourav Ghosh, the program offered a rich and comprehensive learning experience. Esteemed PG teachers and renowned specialists from all over West Bengal converged to impart their knowledge and expertise to the aspiring PGTs.

The curriculum was designed to cover critical aspects of postgraduate medical training, fostering an environment of interactive learning and robust discussion. Attendees benefited immensely from the diverse perspectives and in-depth insights shared by the experienced faculty.

Speaking on the occasion, a representative from the WBOA stated, "We are immensely pleased with the enthusiastic participation and the overall success of this teaching course. It reflects our unwavering commitment to advancing the standards of postgraduate medical education in West Bengal. The collaborative spirit between the faculty and the trainees was truly commendable."

The successful execution of the PGT teaching course at R.G. Kar Medical College highlights the dedication of the WBOA and its collaborating institutions in nurturing the next generation of medical professionals and enhancing the quality of healthcare services throughout West Bengal.

1st Annual conference of WOC (World Orthopaedic Concern)- India Chapter

WOC (World Orthopaedic Concern)- India Chapter has organized it's inaugural annual conference on 18 May 2025 (Sunday) at Hotel The Park, Kolkata in collaboration of WBOA. Dr Arindam Banerjee was the Organizing President and Prof(Dr) Chinmay Nath was the Organizing Secretary of this conference. It was a one day event with a several workshops on pediatric orthopaedics, Sarcopenia, Meniscus repair, Hand surgery etc. There was one oration (Prof D K Taneja Oration) given by Prof Ramesh K Sen. President of SICOT Dr Vikash Khanduja has addressed the conference and given a guest lecture online. Many National and Overseas faculties and many delegates have joined and enjoyed the scientific session. It has covered most of the subspecialities of Orthopaedics with a vision on training the aspiring junior orthopaedic surgeons and reaching towards the underprivileged section of the society with good quality orthopaedic care and knowledge.
